

WINE MENU

The wine list at Lee Ho Fook embraces everything that Victor and the team love about wine from old, fine, and rare to young, new and exciting. Our cellar is home to wines that are already firm favourites, vintages to return to time and time again as well as a host of fresh discoveries waiting to be tried, an authentic reflection of the wine world today.

An ever-evolving showcase of iconic and boutique growers – many of them our friends. Balancing interesting varietals with classic icons. Representing significant and newly emerging regions and terroirs from Australia and their global counterparts.
